Notes

Website: A Moodle site will be available for all sections of the course. This website will contain outlines for each chapter and extra problem solutions, along with general information about the course. It is important for students to print out the chapter outlines and bring them to class.

Exams: Please note that College Examination Policy states that all students must write final examinations when required at the scheduled times and dates.

Required Texts/Resources

Intermediate Accounting, 11th Canadian edition, Volume 2, Kieso et al, published by Wiley.

Students will require a financial calculator for this course. Texas Instruments BA-II Plus is recommended, but any brand or model of non-programmable financial calculator, which can perform time-value-of money calculations, is acceptable.
