*To pass the course students must obtain an overall passing average grade in the Total Individual Evaluation portion of the final course grade (minimum of 30% of the 60% combined marks assigned to the individual components of the course – Individual Leadership Plan and the combined Course Exams). Your team work marks are factored in after you have succeeded in your individual evaluation components, and you cannot rely on your team members' efforts to pass.

**Team members can be "fired" for failure to perform their duties at a satisfactory level.

***Oral and written communication is a critical component of all assignments and exams and as such, is an important criteria in the evaluation of all course work (must meet a minimum of third-year standing).

The Leadership course has been designed to assist in your development as a leader and follower. Since leadership and management are not mutually exclusive, the course material contains a blend of traditional and innovative approaches. These experiences are focused towards personal development and team effectiveness. The course materials (class text and
