snow penetration, exterior weather conditions, damage arising from any cause beyond the control of the Manager or Institution, and any damage or injury arising from the activities of employees, contractors or agents of the Manager and the Institution. The Housing student agrees that by executing the Agreement and residing in the Housing, they are acknowledging that they understand and freely assume the risks associated with communal living, including but not limited to risks of potential exposure to physical, mental or emotional harm or injury, communicable diseases and other contagious viruses. Accordingly, the Housing student on their own behalf and on behalf of their successors, beneficiaries and next of kin hereby waives their right to demand or make any claim against (and indemnifies, releases and covenants and agrees to hold harmless each of) the Manager, the Institution, their agents, contractors, officers, directors, governors, management, successors, assigns, students and employees from or in relation to any and all damages, physical or other harm, death, liability, claims, expenses or loss due to any cause whatsoever, including negligence, breach of contract, or related to this Student Housing Agreement and the provision of services or accommodation, including but not limited to exposure to communicable diseases and contagious viruses. The Housing student further agrees to take all reasonable precautions and follow recommendations by public health authorities to mitigate the spread of communicable diseases while living in the Housing community. Failure to follow the Student Housing Agreement and measures related to said communicable diseases (including but not limited to Covid-19), or failure to follow directions from staff regarding communicable disease related rules or measures may result in standards action up to and including eviction from student housing.

4.07 Heating of Room. Throughout the Term the Manager will provide a heating system sufficient to provide a comfortable temperature in the Room and will operate, maintain and repair that heating system. During any period in which the heating system is not functioning to the standards set out above, the Manager will use commercially reasonable efforts, after receiving notice of the deficiency, to have the system repaired and functioning as soon as may be possible in the circumstances. In no event however, is the Manager liable to the Student for any consequential illness or discomfort and the Manager shall not be deemed to be in default of its obligations under this Agreement, so long as it is using commercially reasonable efforts to have the system repaired.

4.08 Prohibited Items. Only refrigeration appliances supplied with the Room are to be used. No other refrigeration items are to be brought into the Room. In order for appliances to be used in Student Housing, they must bear a visible serial number and a CSA or UL identification tag. Irons, toaster ovens, coffee makers, electric kettles protected by auto shut-off are the only appliances found in rooms that do not bear a CSA or UL tag. Appliances without a visible serial number and a CSA or UL identification tag, without liability to the Manager for spoilage or damage to the appliance removed. The following are prohibited: open coil hot plates, deep fryers, indoor barbecues, fondues and the like; pets; candles, incense, lava lamps, halogen lamps, large musical instruments or noise producing devices such as subwoofers and PA systems, illegal substances, alcohol and illegal drug paraphernalia, single serving glass alcohol containers (i.e. beer bottles, coolers, etc.), novelty glass liquor bottles, and large common source containers (i.e. kegs, 60oz containers); weapons, replica weapons, or any device that is designed for (or could be used for) the purpose to intimidate, threaten, harm, or kill.

4.09 Cable Television, Telephone & Internet Services. If the Housing student wants additional cable television, telephone or internet service above and beyond that provided in the Room, the Housing student must submit full details to and request and obtain the prior written approval of the Manager and Institution. With respect to Internet Services, the Institution may at its discretion only allow either the standard provided service or the approved alternate service and not both at the same time (Housing student may not have more than one internet service provider in the Room). Cutting of wiring, boring of holes, the use of wireless routers, routers, or switches are not permitted. Any unauthorized services or equipment may be removed by the Manager, at the Housing student's expense. The Institution may at its discretion only allow either the standard provided service or the approved alternate service and not both at the same time (Housing student may not have more than one internet service provider in the Room).

4.10 No Moving of Supplied Furnishings. All furnishings and equipment supplied with the Room shall remain in the Room for the duration of the Term. All furnishings, if rearranged, must be returned to their original position found at the commencement of the Term. No common area furniture is to be moved into the Room. Charges will apply otherwise.

4.11 No Removal or Substitution. The Student may not remove, alter or change any property in the Room which is provided on occupancy or at any other time during the Term, including and not limited to; furnishings, fixtures, equipment, television sets, appliances, window screens, floor coverings and any mattress covering. The Student shall use all such items only for their intended purpose.

4.12 No Renovation or Installation. The alteration or renovation of the Student Housing facilities, furniture, fixtures, or equipment supplied in the Room is not permitted. The lock(s) provided by the Manager are the only locks to be used to secure the door to the Room. No other locks may be installed by the Student and the Student may not change the keying of the lock(s) which are provided. Unauthorized changes to temperature settings or duct or diffuser settings in the Room, and any attempt to make changes to the heating system in the Room are prohibited. The Student may not install any electrical equipment which will overload the capacity of a circuit. Altering or otherwise tampering with electrical systems is prohibited. The Student may not install furnishings or equipment of any kind (including and not limited to; shelving, light fixtures, audio or visual equipment, satellite dishes and radio or television antenna(e)), without the prior written consent of the Manager. If the Student installs any such equipment without the prior written consent of the Manager, the Student will immediately remove it after notice from the Manager, failing which the Manager may remove the furnishing or equipment at the expense of the Student without further notice and without liability to the Student for any damage to the furnishing or equipment so removed. The Student is responsible to pay the costs of repairing all damage to the Room or Student.

4.13 Decorations. The only acceptable form of affixing items to walls is the use of double-sided tape or magic mounts, and must be removed by the Housing student prior to move out, or be subject to removal charges. Spikes, hooks, screws, tacks or nails or any permanent adhesion type tape shall not be put into or on the walls or woodwork, ceilings, furnishings, doors or windows of any part of the Student Housing. Students may not decorate the outside of their room door unless for special occasions approved by the Manager. Strings of indoor lights should not be in direct contact with any flammable materials and should not be left on while the room is unattended.

4.14 Parking. Housing students must park vehicles in designated spaces only, as allotted by the Institution. The housing student • @!#-~!# Áæ@!# @!#Á windshield such decal, label or other distinguishing marker as the Institution directs for identification.
